Origami SWAN instructions

Start with a square piece of paper and fold it in half.

Open the paper. Fold corners into the centre.

Turn the model over.

Fold the corners into the centre.

Fold it in half vertically.

Fold the peak along the line located at 1/3 of height from the top.

Pull the head up.

Rotate the model by 90 degrees.

Pull the neck up.

THE END! Your swan is ready!
